

## **Cameron Barber joins MGI Directors**

MGI Brisbane is pleased to announce the appointment of Cameron Barber as a Director of MGI Brisbane's Business Advisory/Tax Consulting Division taking effect from 1 August 2008.

Since joining the MGI Group in 2005, Cameron's experience within a commercial environment, coupled with his specialist taxation knowledge, has proved invaluable to our firm. He has provided practical solutions to a broad range of clients including high net wealth individuals, small to medium enterprises, consolidated groups and family owned and operated businesses.

Having worked in several family owned businesses, Cameron has an appreciation for strong client relations and has adopted an extremely hands-on approach. This resonates with our principal objectives to be client focused and forward thinking whilst engendering strong working relationships with our clients.

MGI Brisbane continues to provide both business, financial and assurance services nationally and worldwide. Cameron is active in structuring successful business acquisitions and restructuring groups for succession planning and growth.

Cameron is a member of the Institute of Chartered Accountants in Australia and a Fellow of the Taxation Institute of Australia and is currently undertaking a Masters of Taxation through the University of New South Wales.

Cameron joins the existing Brisbane directors Grant Field, Alex Fraser, Craig Douglas, Anthony Smith, Michael Georghiou and Justine Best.

The appointment of Cameron represents the growth and new strategic direction of our firm and signals MGI's commitment to develop and promote our people.
